I sent these documents last week and am adding the site-wide messages to Betsy and Doug's folder...I also had the itinerary on the briefing agenda already. Did you not see these Christina? I don't want to recreate the wheel here...do you want me to add the OU3 messages to these documents?

Dania, Mike, and Stan,

In response to Betsy's request for key messages for Doug during his trip to Libby, I've (hastily) put together the attached document with a couple key OU3 messages along with the itinerary Mike provided. Feel free to edit or add sitewide messages as necessary.
